

REGISTRATION FORM – EXPLORATION WEEK 2010

Deadline – Received Monday, December 7, 2009

Registration Forms for Exploration Week 2010 will be accepted until December 7. They should be turned in to the JSL office (room 118) or to Ms. Uveges at the front desk. The last day to turn in registration forms is Monday, December 7th. All students will be given a randomly generated number and their forms will be processed in that order. Registration forms indicating a program that has been closed as a first choice, will be moved automatically to their second choice (and third if need be).

Please note: Students who received none of their choices last year will be given a higher priority in the lottery. Seniors who have never traveled will also be given a higher priority in the lottery. Students who turn in their forms after December 7 will be given a lower priority in the lottery system.

Please list your top 4 choices.

Student Name _____ Grade _____

Choice # 1 _____

Choice #2 _____

Choice #3 _____

Choice #4 _____

Signature of Parent/Guardian

Date
